TOPICS WE TEACH

The Lord and His Prayer

The highway of all Jesus' teaching in one prayer. It is a prayer we need to embrace and study.

Discerning His Voice

In a world full of noise, many struggle with God's leading. We can help your congregation learn to discern God's voice.

Healing Prayer and Defence Over Darkness

Do you want to learn how to enter into prayer for healing? Let's Journey together. Healing Prayer is actually God's Idea, not ours. And He wants us to learn how best to do this.

WHAT LEADERS ARE SAYING

With faithful attention to the original biblical text, Dr. Chotka offers an engaging devotional paraphrase that invites readers to encounter JESUS freshly and compellingly.

Rev. Dr. T.V Thomas.

Christ-centred work that reflects Chotka's lifelong dedication to pastoral excellence and the spiritual health of the church.
